OUR MENU

This menu is a tribute to the Thailand we remember. The food at this restaurant is our take on Thai food. We're not copying or playfully reinterpreting. These dishes you're able to enjoy are our best approximations of some of our favourite versions of Thai dishes. This is the Thailand we all know and love. It's about the communal shared family style food. It's hot, sweet, salty, and sour. Best enjoyed in any climate with family and friends.
